11th January 2023

To whom it may concern,

We are writing to inform you that normal service has resumed for the following assays: urine 5HIAA and urine metanephrines.

We apologise for the delay in turnaround time you have experienced over the last few weeks, and thank you for your patience whilst we have been working at resolving the problem.

Please do not hesitate to contact us if you have any questions.

Yours faithfully,

R Vincent
