

## All about the hub

Since April 2024, pathology services have been transferring in phases to our new state-of-the-art central hub laboratory at Friars Bridge Court, 41 Blackfriars Road. Filled with cutting-edge technology and world-class talent, the hub is set to become a pathology centre of excellence and will realise major benefits for clinicians, patients and the NHS overall.

**Releases 7,000m<sup>2</sup>** of real estate  
back to NHS partners (equivalent to  
190 operating theatres)
